

BOWMAN PPE CART II

time savings = cost savings

► Accessibility

- PPE dispenses directly from the cart, no searching for hidden products in drawers
- Designed for standing dispensing: *NO BENDING*
- Customize the open area with items specific to your needs: N-95 masks, surface wipes, hand sanitizer, and more!

► Efficiency

- PPE stock is always available when you need it; visible through front dispensing ports and the clear lid
- Quickly grab and go with convenient glove size indicators
- Easy to comply with the standard yellow cart color cue, donning order process indicators, and optional isolation sign holder

► Cost Effectiveness

- Decrease repetitive motion, back stress, and costly injuries
- Stock is always visible to help prevent delayed patient care and wasted trips restocking empty or hidden supplies
- Additional large capacity covered bottom storage area for even less restocking trips
- CT030-0000 is budget-friendly and NEW from BOWMAN
